

BUT THERE IS MORE:

✓ A personal page on the EXARC website, with which to present your museum, organisation, craft or specialisation.

✓ The EXARC online Calendar of Events and Social Media for the promotion of your events. These are also shown on your personal page.

BUT THERE IS MORE:

✓ Help in finding partners for collaboration/peers, literature and sources of materials, and those in search of internships.

✓ Support, advice and help with setting up projects. We can visit you and discuss your project in depth.

✓ Advantages of EXARC's cooperation with ICOM, NEMO, REARC, Colonial Williamsburg and other organisations, for example access to courses and participation in festivals.

BUT THERE IS MORE:

✓ Extra editorial support for authors of our Journal.

✓ The printed EXARC Journal Digest delivered twice a year to your doorstep. See exarc.net/journal/hardcopy-overview

✓ Monthly newsletters with developments from EXARC and its members, plus events and special news.

EXARC is an active network with over 300 members in 40+ countries. We offer everything you want to know about Archaeological Open-Air Museums, Experimental Archaeology, Ancient Technology and Interpretation.

Join EXARC today and support us with making a difference!

Become a member of this international network and allow us to use our vast resources to support you, your organisation and activities. Membership fees start **from ONLY 40 EUR**. Visit exarc.net and join us!

"A phenomenal organization at a great price! I can't say enough good things about EXARC. The talented and dedicated staff work hard to make this the premiere international society for Experimental Archaeology and Archaeological Open-Air Museums."

Tim Messner Ph.D. Professor of anthropology at the State University of New York at Potsdam, USA
